Why A Quickie Tie Down?

- Units are made with toughened glass filled nylon with Precision moving parts.
- Units are light weight yet strong and reliable.
- 8' rope included.
- Accepts any length rope.
- Rope is cinched tightly in place without slippage.
- Trigger easily releases tension and frees rope when thumb lever is depressed.
- No time consuming knots are needed to secure rope nor to be untied later.
- Units have good durability with reasonable care and proper use.
- Shape is designed to eliminate tangling while in use or in storage.
